## **1.0 Introduction**

The Buninyong Bowling Club (BBC) Member Protection Policy follows the principles and guidelines established by Bowls Victoria and Bowls Australia.

This policy must be read in the context of BBC's constitution and any other policies made by BBC. If there is any conflict or ambiguity between this policy and the club's constitution or any other BBC policy, the conflicting documents must be read in such a way as to achieve the BBC's objectives of promoting and encouraging participation in the sport of bowls.

## **2.0 Purpose**

The objective of the BBC Member Protection Policy is to maintain responsible behaviour and the making of informed decisions by members and other participants in this club. It outlines our commitment to a person's right to be treated with respect and dignity, and to be safe and protected from discrimination, harassment and abuse. Our policy informs everyone involved in our club of his or her legal and ethical rights and responsibilities and the standards of behaviour that are expected of them. It also covers the care and protection of children participating in our club's activities.

BBC is committed to providing a safe environment for all participants (members and non-members) that is free from harassment, abuse and other unfair treatment and promotes respectful and positive behaviour towards everybody.

It also outlines the procedures that the club commits to undertake should there be any grievance or complaint lodged with the Board, including investigation processes and any appropriate disciplinary action against any person or organisation who is bound by and breaches this policy.

## **3.0 Extent of Our Policy**

Our policy covers all matters directly and indirectly related to the BBC and its activities.

In particular, the policy governs breaches of our Codes of Conduct and behaviour, and unfair decisions and actions, that occur during pennant or other competitions, during club events or tournaments, at training sessions, in the club rooms, at social events organised or sanctioned by the club (or our sport), and on away and overnight trips.

It also covers private behaviour where that behaviour brings our club or sport into disrepute or there is suspicion of harm towards a child or young person.

## **4.0 Application**

This policy applies to everyone involved in any and all activities of our club (paid / unpaid or voluntary capacity), including Board and committee members, administrators, officials (umpires and markers), members and players (including opposition players), coaches, employees and contractors, volunteers, parents, sponsors, spectators and guests.

## **5.0 Club Responsibilities**

Buninyong Bowling Club will:

- implement and comply with this policy
- apply this policy consistently

- promote this policy and the consequences of any breaches of this policy
- appoint a Member Protection Information Officer (MPIO) to receive and handle complaints and allegations
- deal with any complaints made under this policy in an appropriate manner and according to the published grievance procedures
- deal with any breaches of this policy in an appropriate manner
- monitor and review this policy at least annually
- seek advice from and refer serious issues to police or the appropriate external body, agency or organisation.

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that our state or national bodies request to be referred to them.

## **6.0 Individual Responsibilities**

Everyone associated with the Buninyong Bowling Club must:

- make themselves aware of the contents of this policy
- comply with all relevant provisions of this policy, including the standards of behaviour outlined in this policy
- co-operate in providing a club environment that is free of discrimination, child abuse and harassment
- treat other people with respect
- always place the safety and welfare of children above other considerations
- be responsible and accountable for their behaviour
- follow the guidelines outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment, bullying or other inappropriate behaviour.

## **7.0 Policy Statements**

### **7.1 Child Protection**

Buninyong Bowling Club is committed to the safety and wellbeing of children and young people who participate in our club's activities or use our facilities. We support the rights of the child and will act at all times to ensure that a child safe environment is maintained. We also support the rights and wellbeing of our members and any staff and volunteers and encourage their active participation in building and maintaining a secure and safe environment for all participants.

Buninyong Bowling Club aims to ensure to protect the safety and welfare of its junior participants by:

- prohibiting any form of abuse against children
- promoting the involvement and participation of children and young people in developing and maintaining a child-safe environment in our club
- providing opportunities for juniors to contribute to and provide feedback on program development
- ensuring our codes of conduct, particularly for roles associated with junior sport, are promoted, enforced and reviewed

- providing procedures for raising concerns or complaints (our complaints procedure is outlined in the Club's Member Protection Procedures document).

### **7.1.1 Risk Management**

The club will develop and implement a risk management strategy, including reviewing our child protection practices and following our Childsafe Policy and Childsafe Code of Conduct to minimise and prevent the risk of harm to children because of the actions of another person.

If anyone bound by this policy reasonably suspects that a child is being abused by their parent/s, coach, volunteer, official or affiliated member they are advised to contact the Club's MPIO, the police or relevant government department for youth, family and community services in their state/territory.

All allegations of child abuse will be dealt with promptly, seriously, sensitively and confidentially. (A person will not be victimised for reporting an allegation of child abuse and the privacy of all persons concerned will be respected.) Procedures for handling allegations of child abuse are outlined in in the Club's Member Protection Procedures document.

The club will ensure that employees and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable grounds, that a child has been or is being, abused or neglected (see the Club's Member Protection Procedures document).

In addition to any legal obligations, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child or is in breach of this policy they may make an internal complaint. Please refer to our complaints procedure in the *Member Protection procedures* document.

Any person who believes a child is in immediate danger or in a life-threatening situation, should contact the police immediately.

### **7.1.2 Supervision**

Children under the age of 18 must be supervised at all times by a responsible adult. If a member finds a child under the age of 18 is unsupervised, they should assume responsibility for the child's safety until the child's parent/guardian or supervisor is located.

Members should never be in a situation where they are alone with just one child. If this situation appears likely to occur, the member will ask another member to stay until the child is collected.

### **7.1.3 Working With Children Checks**

Working with Children Checks (WWCC) aim to create a child-safe environment and to protect children and young people involved in our sport from physical and sexual harm.

BBC will ensure that any person who works in a paid or voluntary capacity with any child or young person under the age of 18 must have a WWCC, unless an exemption applies. WWCCs are carried out by the Department of Justice and Community Safety (Website: [www.workingwithchildren.vic.gov.au](http://www.workingwithchildren.vic.gov.au) Phone: 1300 652 879).

Exemptions:

The following people do not need to have a WWCC:

- individuals aged under 18
- volunteers involved in an activity in which their child ordinarily participates
- individuals working only with children who are close family relations

- students aged under 20 performing volunteer work organised by their school or educational institution
- sworn members of Victoria Police
- teachers registered with the Victorian Institute of Teaching
- a visiting worker who does not ordinarily reside and perform child-related work in Victoria.

BBC should:

- sight the Working with Children Check cards of all volunteers who are working with children under the age of 18 and confirm the status of their Card Number to verify that they have passed the Check. You can do this online or by calling 1300 652 872
- maintain a record of volunteer's WWCC numbers

#### **7.1.4 Transportation**

Parents, guardians and/or teachers / supervisors are responsible for organising the transportation of their children to and from club activities. In situations where the club arranges the transportation of children (e.g. for away matches or overnight trips), the club will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and the appropriate safety measures are in place (e.g. fitted working seatbelts).

#### **7.1.5 Taking Images of Children**

Images of children can be used inappropriately or illegally. We require that members, wherever possible, obtain permission from a child's parent or guardian before taking an image of a child that is not their own. We will also make sure that the parent or guardian understands how the image will be used.

To respect people's privacy, we do not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets which we control or are used in connection with our club.

When using a photo of a child, we will not name or identify the child or publish personal information, such as residential address, email address or telephone number, without the consent of the child's parent or guardian. We will not display or provide information about a child's hobbies, interests, school or any other personal information.

We will only use images of children that are relevant to our club's activities and we will ensure that they are suitably clothed in a manner that promotes our club. We will seek permission from a child's parent or guardian before using their images.

### **7.2 Anti-Discrimination and Harassment**

BBC is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination, harassment and bullying and where all those involved in the club's activities are treated with dignity and respect.

#### **7.2.1 Discrimination**

Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by State or Federal anti-discrimination laws.

Discrimination includes both direct and indirect discrimination:

- **Direct discrimination** occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- **Indirect discrimination** occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purpose of determining discrimination, the offender's awareness and motive are irrelevant.

### 7.2.2 Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment involves unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

Every person is covered by the anti-discrimination laws that apply in their State as well as the Federal anti-discrimination laws.

Legislation also prohibits:

- racial, religious, homosexual, transgender and HIV/AIDS vilification
- victimisation resulting from a complaint.

### 7.3 Bullying

BBC is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable at our club.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or group.

Whilst generally characterised by repeated behaviours over a period of time, one-off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a person or group;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. BBC will not tolerate abusive, discriminatory, intimidating or offensive statements being made online.

#### **7.4 Social Networking**

BBC acknowledges the enormous value of social networking to promote our sport and celebrate the achievements and success of the people involved in our sport.

Social networking refers to any interactive website or technology that enables people to communicate and/or share content via the internet. This includes, but is not limited to, social networking websites such as Facebook and Twitter.

All people bound by this policy are expected to conduct themselves appropriately when using social networking sites to share information related to the sport of bowls.

In particular, social media activity including, but not limited to, postings, blogs, status updates and tweets:

- must not contain material which is, or has the potential to be, offensive, aggressive, defamatory, threatening, discriminatory, obscene, profane, harassing, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist or otherwise inappropriate
- must not contain material which is in breach of laws, court orders, undertakings or contracts;
- should respect and maintain the privacy of others
- should promote the sport in a positive way.

#### **7.5 Intimate Relationships**

BBC understands that consensual intimate relationships (including, but not limited to sexual relationships), between coaches or officials and adult members may take place legally. However, this policy will help ensure that the expectations of coaches or officials are clear and, to ensure that if an intimate relationship does exist or develop between a coach or official and an adult athlete, that relationship will be managed in an appropriate manner.

If a consensual intimate relationship does exist or develop between an adult member and a coach or official, the coach or official is expected to ensure that the relationship is appropriate and that it does not compromise impartiality, professional standards or the relationship of trust the coach or official has with the member and/or other members.

In the event that an athlete attempts to initiate an intimate relationship, the coach or official should discourage the approach, explaining the ethical basis for such action and why such a relationship may not be appropriate. The coach may wish to approach the club's MPIO if they feel harassed.

The law is always the minimum standard for behaviour within Buninyong Bowling Club and therefore any sexual relationship with a minor is a criminal offence.

#### **7.6 Pregnancy**

BBC is committed to treating pregnant women fairly and with dignity and respect, and to removing any unreasonable barriers to their full participation in the club's activities. We will not tolerate any discrimination or harassment against pregnant women.

BBC will take reasonable care to ensure the safety, health and well-being of pregnant women and their unborn children. We will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks.

The club encourages all pregnant women to consult with their medical advisers, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation in particular sporting activities.

## **7.7 Gender Identity**

BBC is committed to providing an inclusive sporting environment where transgender or transsexual people are able to contribute and participate in club activities. We will not tolerate any unlawful discrimination or harassment against a person who identifies as transgender or transsexual. All people, regardless of their sexuality, are welcome at our club.

## **7.8 Responsible Service and Consumption of Alcohol**

BBC is committed to conducting sporting and social events in a manner that promotes the responsible service and consumption of alcohol.

The BBC is committed to following all VCGLR regulations and guidelines regarding the service and consumption of alcohol. The club is also qualified as a GoodSports Level 3 member club, which involves following all GoodSports guidelines including current versions of the following:

- Alcohol Management Policy (including a current House Policy)
- Safe Transport Policy
- Smoke Free Policy.

## **8.0 Codes of Conduct**

To achieve this, the club requires certain standards of behaviour of members and players, coaches, officials, administrators, parents/guardians (of child participants) and spectators.

Our codes of behaviour are underpinned by the following core values for personal and professional behaviour and how we relate to each other, other bowlers and the wider community. Any and all complaints regarding alleged breaches of the Member Protection Policy or the Club's Codes of Conduct will be handled as per the procedures and processes outlined in the Member Protection Procedures document; (which is to be read in conjunction with this policy and the Grievance Procedures outlined in the club's Constitution).

As a first point of contact, all complaints are to be reported to the MPIO or the club President. All complaints will be treated seriously and treated as promptly as possible, following confidential and trustworthy procedures, based on the principles of natural justice.

Steps following a complaint may include a discussion, mediation, informal complaint processes or formal complaint processes.

Outcomes may include mutual agreement that the complaint is settled, a formal investigation of the complaint, possible disciplinary sanctions or measures or escalation of the complaint to an external body.

## **9.2 Disciplinary Sanctions / Measures**

Our club may take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- be consistent with any contractual and employment rules and requirements;
- be fair and reasonable;
- be based on the evidence and information presented and the seriousness of the breach;
- be within the powers of the BBC to impose the proposed sanction; and
- be determined by our constituent documents, by laws and the rules of the game.

### **Factors to consider**

The form of discipline to be imposed on an individual or organisation will depend on factors, such as:

- the nature and seriousness of the breach
- if the person knew, or should have known, that the behaviour was a breach of the policy
- the person's level of contrition
- the effect of the proposed disciplinary measures on the person, including any personal, professional or financial consequences
- if there have been any relevant prior warnings or disciplinary action
- the ability to enforce disciplinary measures if the person is a parent or spectator (even if they are bound by the policy)
- any other mitigating circumstances.

Possible sanctions that may be taken include:

- censuring of the offending individual, either verbal or written
- a direction that the individual make verbal and/or written apology;
- counselling of the individual to address their behaviour;

- withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by our club;
- suspension or termination of membership, participation or engagement in a role or activity;
- temporary or permanent de-registration of accreditation; or
- any other form of discipline that our club considers reasonable and appropriate (excluding monetary fines).

When imposing any form of discipline, it will be accompanied by a warning that a similar breach of policy by that individual in the future may result in the imposition of a more serious form of discipline.

### **9.3 Appeals**

The complainant or respondent or any member who is suspended or expelled or has any other disciplinary sanction imposed upon them by the club, may appeal the decision to a Special General Meeting convened for that purpose. They may also be entitled to lodge an appeal to the relevant external body, agency or association, provided the appeal is based on any right of appeal provided for in the relevant constituent documents, rules, regulations or by laws.

Every organisation bound by this policy will recognise and enforce any decision made, and form of discipline imposed, by an appeals tribunal under this policy.

### **9.4 Vexatious Complaints & Victimisation**

BBC aims to ensure the complaints procedure has integrity and is free of unfair repercussions or victimisation. If at any point in the complaint process it is considered that a complainant has knowingly made an untrue complaint or the complaint is vexatious or malicious, the matter may be referred to the club's MPIO and appropriate action taken, which may include disciplinary action against the complainant.

BBC will also take all necessary steps to make sure that people involved in a complaint are not victimised by anyone for coming forward with a complaint or for helping to sort it out. Disciplinary measures will be imposed on anyone who victimises another person for making a complaint.
